

Cambridgeshire and Peterborough Combined Authority Independent Improvement Board

(Revised) Terms of Reference

The Cambridgeshire and Peterborough Combined Authority Improvement Board was established by the Combined Authority Board in October 2022 to provide challenge and support to the issues identified in the Improvement Framework report presented to the Combined Authority Board on 27 July 2022.

The Combined Authority was issued a Best Value Notice on 24 January 2023 and the identified issues to be addressed were a focus for the Independent Improvement Board, alongside the concerns identified in the External Auditors letter dated June 2022.

Review

The current agreed terms of reference proposed that the Independent Improvement Board would be in place for 12 months from January 2023. A Best Value Notice issued in January 2023 was a focus for the Board in addition to the concerns set out in the External Auditors letter.

Significant progress has been made in delivering the identified improvements set out in the agreed Improvement plan and this is acknowledged by both the Independent Improvement Board and also the Department for Levelling Up Housing and Communities.

It is also recognised that there is more to do.

In January 2024 a further Best Value Notice was issued for a six month period which set out the expectation on the Combined Authority to continue to improve and, specifically, to:

- Continue with the independent Improvement Board; making full use of its support and engaging with its recommendations over the next six months.
- Continue to implement and embed the changes agreed by the Combined Authority Board as part of the improvement plan.
- Continue to implement and monitor cultural change across the organisation, for both officers and members, with a focus on measurable outcomes.
- Commit, through strong partnership working at both officer and member level, to develop the strategic priorities and aspirations for the area that will benefit local residents, and a credible delivery strategy for progressing these. We hope that this can be achieved through consensus but, if not all stakeholders are ready to fully engage, the opportunity should be left open for them to do so when they feel ready to. This work is also important in informing CPCA's approach to further devolution.

- Continue to engage regularly with the Department at official level throughout the period of this Notice.
